This page houses all courses offered currently and in the last 5 academic years by AULA. Courses older than 5 years may be found in previous catalogs (<http://aulacatalog.antioch.edu/previouscatalogs>). These courses are sorted in alpha order by department as listed below.

Effective Summer 2016, AULA has implemented a new course numbering system, from 3-digit to 4-digit, by adding Zero as the 4th digit. Courses in the 2000 - 4000 (used to be 200-400) series are undergraduate level and the 5000 - 6000 (used to be 500 - 600) series are graduate level courses. Click on the department's link to view the courses under it and their course descriptions. Courses that are offered currently may be accessed by going to AUView (<https://mynew.antioch.edu/WAPROD/WebAdvisor?mode=xxx&id=Nzg1MjQ4MzA3Nio1MDM4NTE3MzkwMDE3ODIqM>).
